Today – Feast Day of the *Holy Trinity*. Jesus in the Gospels revealed to us that God is Love, a community of love, Father, Son and Holy Trinity. His wish and desire of us is that we, all of us, would also be a community of love, care, forgiveness and mercy. Pope Francis reminds us that Jesus is the face of God, he came on earth to tell us about God, his Father.

Today is our Parish Feast Day. We pray today that visitors to Adare would also be able to say “see how they love one another” as was said of the early followers of Christ. May the Garden Fete today be a celebration of that kind of community.
