## Church Reopening

A word of thanks to the members of the Parish Pastoral Council and the many volunteers who have been so good in the reopening of our Church. The reopening was made possible by the understanding and co-operation of all the people and the great work in stewarding and sanitizing the church.

It is so important that we continue to be careful especially in adhering to the Government Guidelines and in particular sanitizing of hands and social distancing.

May God reward all those who have worked so hard during the pandemic in caring for the sick and elderly and in protecting all of us.
