Catholic Schools Week 2022 – 23rd January to 30th January. Theme: Catholic Schools: Living Life to the Full. As we adapt to the many challenges and changes that the COVID-19 pandemic has caused, we are given the opportunity to reflect on the things that give our life meaning. For some, it is family, friends, community sports or hobbies. For Catholics, it is God's love and wish for us to know and love him that gives life ultimate meaning. Jesus Christ is the revelation of this love, realized through his life, death and resurrection. In response to this, we reflect upon how Catholic schools are communities where we live life to the full.

Offertory Collection last weekend amounted to €1,622. Many thanks.
